

Allergen Guide

Dietary Needs: If you suffer from a food allergy or intolerance, this guide will help you make a more informed choice from our menu.

Whilst we take the utmost care to ensure no cross contamination occurs, it is advisable to exercise some caution as we have a variety of food items that contain allergens, therefore there may be traces in our cooking equipment. If you suffer from an allergy, intolerance or coeliac disease, you must inform our staff when you order.

Possible factory cross contamination where Nuts were present in regards to ALL of our products.
